Dear Bill:

I want to thank you for your wonderful product, service, and professionalism in our new locker room projects. It has been a huge boost to our current student athletes, and will obviously help our recruitment efforts of potential future student athletes. It was a pleasure to deal with you from beginning to end.

Please feel free to use us as a reference in any future endeavors. We greatly appreciated your hospitality on our trip to your complex, and your in depth presentation of the product during every stage. We deal with a great amount of vendors in the daily operations of the university and athletic department. It is not often you come across someone as thorough as your company. I would highly recommend both you and your product to anyone interested in your services.

Thanks again for a wonderful job. Hopefully, our paths will cross again in our travels.

Sincerely,  
  
David Duda
